

Cruise The Enchanting Rhine

April 05-12, 2013

and help save the life of a homeless Flagstaff animal!

River cruises are simply the best way to visit many of the world's most fascinating cities. It is the comfortable, convenient, and may we say elegant, way to travel that offers a truly memorable experience by providing an in-depth exposure to the culture and history of each region you visit.

And now Avenues of the World Travel, Travel Consultant Daniela Harrison and AmaWaterways are coming together to make this experience even better. For each cruise booked,

15% of the cruise fare will be donated to Paw Placement of Northern Arizona

a local, 501(c)(3), no-kill, animal rescue organization, whose mission is to reduce euthanasia of homeless cats and dogs through rescue, adoption and education about responsible pet guardianship.

Join other Flagstaff animal lovers in this **"Cruise for the Critters"** and share an experience of a lifetime while supporting a very worthwhile cause. **It doesn't get any better than this!**

This is a great opportunity to enjoy a fabulous, 7-night river cruise from Basel to Amsterdam, experience European hospitality at its finest, and make a real impact on the lives of homeless animals and on Paw Placement's Animal Rescue Efforts.

Our goal is to reach a \$20,000.00 donation.

Pre and Post-Cruise extensions are available as well.

Must book cruise through Avenues of the World Travel to count towards Fundraiser!

Book by May 28th and receive a \$50 per person booking credit

To reserve your stateroom, please contact Daniela Harrison at
